### ACCIDENT AT ELECTRIC LIGHT PLANT.

About noon on Monday, while some workmen were employed in repairing the smokestack at the Frankfort Electric Light Works, the stack which was of metal, collapsed and fell on the roof of the building. In attempting to get out of the way of the falling stack, Mr. Joseph Tutt stepped backwards from the roof and fell to the ground, a considerable distance, alighting on his right elbow, fracturing the bone and lacerating the arm.

Drs. Reynolds and Goodrich attended to Tutt's injuries, after which he was carried to his home.

He is improving, and it is hoped that there will be no permanent injury to the arm.

### HURT.

While skating on the river, on Wednesday, Mr. Campbell Johnson was so unfortunate as to fall on the ice and lacerate the side of his face. Surgical attention was rendered at once.

### RESUMED OPERATIONS.

The Old Crow distillery, of Messrs. W. A. Gaines & Co., resumed operations for the season of 1903-4 on Thursday of last week. This distillery manufactures only enough of their famous whisky to supply the demands of their trade.

### VALUABLE HORSE MEETS WITH BAD ACCIDENT.

The horse used by Mr. Jno. T. Wiley, who carries the mails from the depot to the Postoffice, slipped on the icy brick street, at the corner of Main and High streets, on Wednesday, and broke his leg, rendering it necessary to kill him. He was a gentle and valuable animal.
